NHS Service Hours

As a member of the SRHS chapter of the National Honor Society you are **required** to complete 10 hours of community service. This includes AT LEAST 1 NHS service project and 1 individual service project. Examples of service are any church activity, volunteer work, etc for which you do not get paid. Failure to complete the service hours may result in probation and/or termination of membership in the National Honor Society.

On the form below, document your service, the numbers of hours you completed, description of your service, and the signature of the adult in charge.

These hours are to be turned no later than June 4th, 2010
